Let's get started! Before you start piecing - be mindful of the direction of your prints! A lot of the prints in our sample are directional, please double check that all prints are facing the right direction.

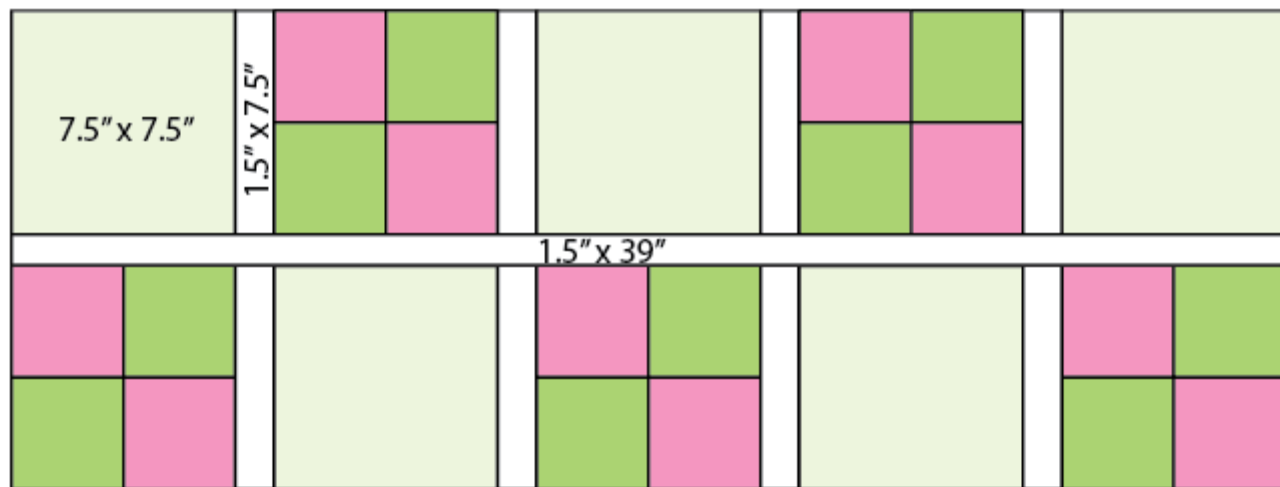

4-patches - make 5:

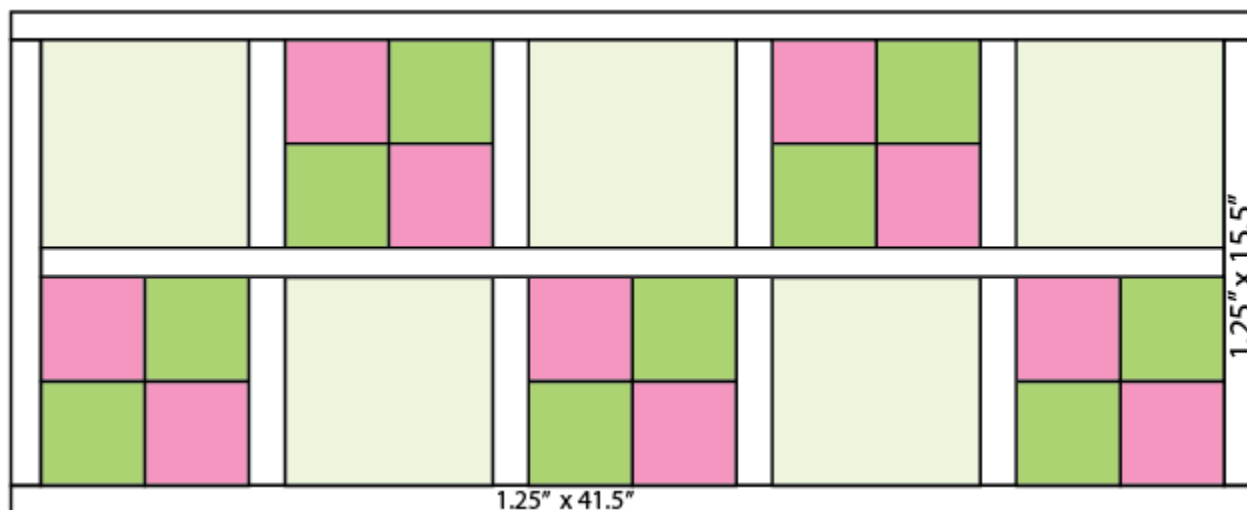

Lay your blocks out as follows. Sew a sashing strip to the right side of each block, except the last block:

Sew a long sashing strip in between the rows:

Now sew on your border. Start with the left and right sides. Sew & press. Then add top and bottom border. Press.

Piece together remaining fabric for your backing (don't forget to save 1 FQ for pieced binding). Baste & quilt. Use remaining FQ for binding – cut 8 strips, each $2'' \times 21''$. Piece these strips & use for binding.
